

Appendix: Freedom of Speech Annual Report Template

As indicated in the December 14, 2018 and September 12, 2018 memos from the Ministry of Colleges and Universities, each of Ontario's publicly-assisted colleges and universities is to prepare an annual report on the implementation of a free speech policy. Please use this template; you may append additional documents or institution-specific information as you see fit.

This report will be a public document and should respect privacy obligations. Please report on events or incidents that took place between **August 1, 2019** and **July 31, 2020**.

The reports are to be posted on the institution's website and submitted to the Higher Education Quality Council of Ontario by **September 1, 2020**. We recognize that this is a particularly unusual year given the demands placed on institutions by COVID-19. Please reach out to Amy Kaufman, Director of Research and Policy, System Improvement, at HEQCO with any questions.

Please submit your institution's annual report via email to Amy Kaufman (akaufman@heqco.ca).

Section A: Institutional Policy

You may append additional documentation or institution-specific information as you see fit.

Has your institution amended its free speech policy (or policy framework) since the time of your 2019 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

No issues have emerged that have required re-evaluation or amendment to the Policy. The Policy is due for a full review in the Fall of 2021 as part of our regular policy review cycle.

Where are members of the institutional community (or guests) directed when there is a free speech related question or complaint about an event on campus? Please provide contact information.

There are two primary avenues where individuals can seek out information related to Free Speech: The Student Experience Office and Life Safety and Security.

Additionally, information can be obtained directly from Academic staff/faculty as well as the Centre for Global Citizenship and Equity.

All related policies and procedures are located on the College website:

<https://www.centennialcollege.ca/about-centennial/college-overview/college-policies/>

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

The College's overall philosophy is to allow events to occur openly even if there are security concerns related to freedom of expression and freedom of speech. To achieve this the College encourages civil and respectful dialogue between the College and event organisers.

There have been no documented instances of events not occurring due to security or cost concerns.

Section B: Complaints

You may append additional documentation or institution-specific information as you see fit.

Between **August 1, 2019** and **July 31, 2020**, did any member of the institutional community (or guests) make an official complaint about free speech on campus? If yes, please describe.

No official complaints were received.

If there has been an official complaint (or more than one):

What were the issues under consideration? Please identify any points of contention (e.g., security costs, safety, student unions and/or groups, operational requirements, etc.).

How did the institution manage the free speech complaint(s)? Was the complaint addressed using the procedures set out in the policy? How were issues resolved?
